

Leaf Watch Data Sheet

In the chart below, your class will track the changing colours in your schoolyard. Try to return to your site at least once weekly.

Start each visit by writing the date at the top of a column. Then, answer the two questions by placing a checkmark in the right box.

How would you describe your site?	Date of Leaf Watch site visit			
All green				
Less than 1/4 in fall colour				
1/4 to 1/2 in fall colour				
1/2 to 3/4 in fall colour				
More than 3/4 in fall colour				
Past the peak, with about 1/2 of leaves fallen				
Past the peak, with nearly all of leaves fallen				
What is the most common leaf colour at your site?				
Green				
Red				
Yellow				
Orange				
Brown
